

Who says feminists don't have a sense of humour?!?

It's time to prove them wrong.

As part of our annual International Women's Day celebrations,
we will be compiling a video montage of shorts made by YOU, entitled

Sh*t Feminists Say

and

Sh*t People Say to Feminists

What are some of the things we all say or do, all the time?

How many committees are you in?

What lingo do you use with fellow feminists?

**How calm is your face
when someone says something
blatantly sexist?**

It's time for a little self-parody!

But we also want to have a chance
to make fun of those who just don't get us...
what are some of those hair-pulling things people have said to you
when they discover
to their shock
that you call yourself
a FEMINIST!

You know the sh*t they say...

Make a short video – from 1 second to 1 minute!

And send it to us NOW!

Please contact sh.tfeministssay@gmail.com when you have a video ready to be added to our video montage.
We'll discuss the easiest uploading options. Actual final deadline is February 23rd, but the sooner the better.
This announcement is English only (sorry), but your videos don't have to be!

More on the event:

On March 8, 2012 a group of local, national and international organizations will host a large coalition event to recognize and celebrate International Women's Day at the National Archives in Ottawa. It is a fun free evening with Femmy Awards, a performance, a short movie, results from our art contest, a cash bar, nibbles, a fab DJ and more! We hope to see you there.
